## It's All Greek to Me!

#### Religious Education

The Kingdom of God—What kind of King is Jesus? Understanding the impact of religious texts and making connections with the wider world.  
 What do religions tell us when life gets hard?  
 Religious and non-religious responses to grief and beliefs about death. Where do we go for support when things are tough?

#### PSHE

Health - drugs and alcohol

#### Science

**Electricity:** Children will be learning how the brightness of a lamp/volume of a buzzer alters with the voltage of calls used in a circuit. They will compare and give reasons for variation in how components function e.g. position of switches. Children will recognise symbols when represented in a simple circuit diagram.  
**Light:** sources of, natural/manmade, how shadows are formed, CSI style 'Crime Scene' investigation. Pattern seeking, research, comparative and fair testing, identifying and classifying.

#### Computing

E safety brochure (Publisher) and Graphing using Excel  
 Memories—Creating an electronic yearbook

#### Enrichment, Trips and Visitors

Big Bang! Staffordshire University  
 Theatre Visit—PSHE  
 End of Year Treat - Uttoxeter Cinebowl  
 Year 6 Prom  
 Leaver's Assembly

#### History / Geography

Ancient Greece

- life
- timeline
- significant figures and events
- culture

Europe - comparison to UK  
 Major cities - urbanisation
