

Breakdown of our Sport Money Premium spend 2020-21

Each term our funding allows us approximately £3000 to spend. Over the last three years, the majority of our money has been spent on CPD and clubs in and out of school for the children. (Please see our list of past clubs, events and CPD training on our website.)

Autumn Term

CPD: SC, MT (year 3) and LR want Dance CPD (6 week block) or scope for a staff meeting. Approx £180 per block (this will be done when Covid restrictions allow).

Clubs: All clubs will run at lunchtimes with a maximum of 16 children per session. Two year group clubs will operate each lunchtime staying in year group bubbles with half an hour sessions each. This will allow for a maximum of 32 children each lunchtime to benefit from the sporting club.

Tuesday - Year 1 Laser Tag 12-12.30 and Year 5 Laser tag 12:30-1
Wednesday - Year 2 Tennis Skills 12-12:30 and Year 3 Tennis Skills 12:30-1
Thursday - Year 2 Laser Tag 12-12:30 and Year 6 Laser Tag 12:30-1
Friday - Year 1 Dance 12-12:30 and Year 4 Dance 12:3-1:30

Each daily club is £30 per hour taking the total to £120 a week over

Spring Term

A proposed similar format will take place in the spring term if Covid restrictions apply.

Summer Term

Hopefully, a full timetable of sport clubs in school time and out of school time will allow.

In addition, an extra spend of over £8000 is set aside for improvement in swimming lessons (hire of the whole pool and instructors) as a result of falling achievements and confidence. This was introduced last year and had a 25% increase in achievement in swimming awards plus more space for children to swim and smaller groups with instructors. However, this year of course, due to Covid restrictions, school has not taken advantage of swimming lessons and has

sought other ways to enhance children’s sporting and physical enjoyment and participation:

£1000 paid to Nigel Edwards for our yearly sports package (to enter virtual competitions, CPD, festivals and interhouse competitions)

An additional £1000 paid to Nigel Edwards for the organisation and deliverance of virtual competitions for all year groups. See table below for activities planned:

Thu 1st Oct	1.30-3pm	Playground Leaders	20 x Yr 4		
Thu 8th Oct	1.30-3pm	Playground Leaders	20 x Yr 5		
Wed 14th Oct	9.30-12.15	Multi skills	Year 4	2 classes	
Wed 4th Nov	9.30-12.15	Multi skills	Year 6	2 classes	
Mon 9th Nov	9.30-12.15	Multi skills	Year 3	2 classes	
				1 class-staff watch	
Fri 20th Nov	9.30-11	Sports hall Athletics demo	TBC		
Mon 1st March	9.30-12.15	Multi skills	Year 5	2 classes	
Thu 18th March	9.30-12.15	Multi skills	Year 1	2 classes	
Wed 24th March	9.30-12.15	Multi skills	Year 2	2 classes	
Fri 2nd July	9.30-12	Excel School Games	Any year	1 class	If possible

We would also like to provide more sporting activities for year groups 1-6 by using trusted coaching company ASM sports to deliver unusual experiences to the children like a scooter festival if Covid restrictions remain for most of the school year.

In addition to that, ‘Chance to Shine’ cricket foundation are working with different year groups at the cost of £30 a session. Currently, the year 4 children have had the opportunity to take part in their P.E lessons with year 2 next to benefit.

This would leave us with approximately £6000 left to spend on the above experiences.

Additional equipment to enhance our P.E curriculum have also been purchased including handballs, goals and volleyballs.

Sustainability

We continue to use the sport premium funding to enhance and fulfil our experiences of physical education both in curriculum and sporting clubs available to each and every pupil in year 1 to 6.

We also continue to sustain previous sport funding using the following:

- Staff to use their planning and knowledge to teach lessons in P.E after they have received their CPD in a chosen area.
- Children have been given sufficient encouragement to continue to participate in clubs, events and competitions at the level we have achieved.
- To continue to achieve the gold status in the Sainsbury's school games award. We are also eligible to strive for the Platinum award (when Covid restrictions are lifted).
- With the support of lunchtime staff (who have received training), continue to improve children's fitness and participation at break and lunch times.
- To continue to promote leadership in children via playground leader training and active literacy course as well as team events, lessons and virtual competitions.

Impact of spend to date

- Continued participation in sporting activities in and out of school using a range of different sporting opportunities.
- Additional opportunities to partake in competitions and festivals.
- Increasing staff confidence in their P.E teaching with the aid of newly implemented medium term plans.
- Increased participation in leadership roles for children in C4L, playground leaders, Active Literacy leaders and councillor roles where children have a voice in all aspects of school life including sporting decisions.
- The introduction of the breakfast club IT equipment has helped to increase physical activity, enjoyment and teamwork in our dining room (when Covid restrictions allow).
- An increase in physical activity during the school day (i.e. daily mile and go noodle) from our training to deliver more physical levels in lessons.

Increase in achievements in swimming awards.
