

COVID-19 school closure arrangements for Safeguarding and Child Protection

Date shared with staff: 30th March 2020 as completed written appendix to policy

Updated 11th January 20-21 as a result of LOCKDOWN 3

1. Context

From 4th January 2021 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the school name Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

1. Context	2
3. Vulnerable children	3
4. Attendance monitoring	4
5. Designated Safeguarding Lea.....	4
6. Reporting a concern	5
7. Safeguarding Training and induction	6
8. Safer recruitment/volunteers and movement of staff	6
9. Online safety in schools and colleges	7
10. Children and online safety away from school and college	7
11. Supporting children not in school	8
12. Supporting children in school	9
13. Peer on Peer Abuse	9

Chair of Governors	Adam Thompson	Via 01782 234390/1	athompson@hanleystlukes.com

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Hanley St Luke's VA Primary School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Vicki- Cartwright, Safeguarding Officer, who will report to and liaise with Head Teacher (DSL).

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and school name will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, school name or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Hanley St Luke's VA Primary School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

The school will submit the DFE attendance status form and class teachers/ support staff will monitor engagement on a weekly spreadsheet designed for this purpose. Follow up by relevant staff will take place daily as soon as any concerns raised with the Safeguarding Officer liaising closely with the office staff re non-attendance of our most vulnerable, supported by classroom staff as necessary.

Hanley St Luke's VA Primary School and social workers will agree with parents/carers whether children in need should be attending school and will then follow up on any pupil that they were expecting to attend, who does not. Hanley St Luke's VA Primary School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

HOW WILL THIS LOOK IN YOUR SCHOOL?

To support the above, Hanley St Luke's VA Primary School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Hanley St Luke's VA Primary School will notify their social worker.

Designated Safeguarding Lead

Hanley St Luke's VA Primary School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: Lynne Williamson

The Deputy Designated Safeguarding Leads are:

Victoria Cartwright- Davies (Safeguarding Officer)

Charlie Martin (Deputy Head)

Emma Facey (Assistant head)

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online management system, CPOMS and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all Hanley St Luke's VA Primary School staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the unlikely event that a member of staff cannot access their CPOMS from home, they should email the Headteacher (DSL) and the Deputy Safeguarding leads and follow this up with a phone call. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern to the headteacher face to face if on site . If there is a requirement to make a notification to the headteacher whilst away from school, this should be done verbally and followed up with an email to the headteacher.

Concerns around the headteacher should be directed to the Chair of Governors:
Adam Thompson

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training but online options should be accessed where available as an interim measure.

All existing school staff have had safeguarding training and have read Part one of [Keeping Children Safe in Education 2020](#) The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Hanley St Luke's Primary School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the school's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Hanley St Luke's VA Primary School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of [Keeping Children Safe in Education 2020](#)

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Hanley St Luke's VA Primary School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Hanley St Luke's VA Primary School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found [Keeping Children in Education 2020](#)

Hanley St Luke's VA Primary School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Hanley St Luke's VA Primary School will continue to keep the single central record (SCR) up to date as outlined in [Keeping Children Safe in Education 2020](#)

Online safety in schools and colleges

Hanley St Luke's VA Primary School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the school's acceptable use of technology and Code of Conduct.

Hanley St Luke's VA Primary School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- Zoom calls are available daily for children and parents to speak with staff/ ask questions etc-so it is important that a parent is present with if one child only joins the session and a teacher does not have a one to one alone with the child. If however, a child joins and no adult appears after a request, the call should be ended and a follow up phone call made. Concerns should be raised via Cpoms in the usual way.
- The live class Zoom should be recorded so that if any issues were to arise, the video can be reviewed.
- For Counselling sessions, where the counsellor is working from home but the child is in school, then another member of staff must be present. Parents should be made aware of this process. Where a phone counselling session is to taking place, the parents must be spoken to first and asked to remain in earshot.
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be plain where possible or blurred out.
- Language must be professional and appropriate, including any family members in the background.
- Only known user names should be let into the Zoom session
- Staff must only use platforms provided by Hanley St Luke's VA Primary School by to communicate with pupils

.

Supporting children not in school

Hanley St Luke's VA Primary School is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person. A weekly spreadsheet has been designed to collate attendance/ engagement with home learning as a record of the contact they have made.

For our most vulnerable pupils, daily monitoring is required. Concerns and relevant communication are recorded on CPOMS, as a record of the contact they have made and the frequency of the communication needed going forward. This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

Hanley St Luke's VA Primary School and its DSL will work closely with all stakeholders to maximise the effectiveness of communication with our most vulnerable pupils and those causing concern.

The school will share safeguarding messages on its website and social media pages.

Hanley St Luke's VA Primary School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at Hanley St Luke's VA Primary School need to be aware of this in setting expectations of pupils' work where they are at home. Teachers and relevant staff offer the chance to check in daily with pupils with support Zoom sessions and ensure that messages address mental health and wellbeing, signposting to relevant links where appropriate. Our in house counsellor also continues to check in with pupils who she supported in school or who are referred to her.

Hanley St Luke's VA Primary School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them to meet their needs. Where relevant, risk assessments or additional care plans, then these should be recorded on CPOMS.

Supporting children in school

Hanley St Luke's VA Primary School is committed to ensuring the safety and wellbeing of all its students.

Hanley St Luke's VA Primary School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Hanley St Luke's VA Primary School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Where Hanley St Luke's VA Primary School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – this will be discussed at Senior Leadership Level to consider the safety of remaining open and the local authority informed.

Peer on Peer Abuse

Hanley St Luke's VA Primary School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within our Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.
