Why choose out Nursery?

Our whole Early Years Provision was judged Good by OFSTED in December 2018.

Here is an extract from the report:

'The learning environment, both indoors and outside, is well organised and promotes learning in all areas of the curriculum. Outdoors, children have many opportunities to develop their physical skills using ride-on toys and climbing equipment.

Children are also encouraged to apply their reading, writing and mathematics skills when they are outside.

Adults ensure that routines are established quickly. Children know what is expected of them and they manage their own behaviour well. For example, children share resources, they listen when others are talking and they are quick to tidy up when asked to do so. Relationships are positive throughout the setting.'
